2022 Community of Fine Art Show

An annual juried art show now in its 21st year had a diverse and eclectic assortment of fine art. The show consisted of 68 pieces of art from 30 artists, in both amateur/semi-professional and professional divisions, and 8 categories. The show was judged by 3 professional artists. Cash prizes were awarded for first, second place and honorable mention.

Many THANKS to all the artists and judges who made our 21st COFA show a success. Getting back to a normal routine this year was heartfelt for all. Special thanks to Robert Pearl & Howard Hoehn co-chairpersons whose unending work made this show possible, Porter Public Library, all of the valuable extra volunteers for hanging the show. Numerous donors and advertisers in the catalog that help defray the cost of the show. Board of Directors for shopping & setting up the reception & check-in & check-out of the artwork.
